Children will also be taught simple writing lessons (grammar, spelling and vocabulary). Our professionally trained staff creates a fun-filled environment to provide the best learning experience for children of all ages. Project WRITE class will be divided into two groups: K-2 and 3-6.

Funky Gymnastics will offer fun packed physical and educational classes suitable for boys and girls of all ages that involve music movement, basic gymnastics, dance and activity games. This class will develop your child's coordination while building confidence, interaction and social skills through use of pompoms, hula hoops, dance ribbons, musical instruments, colored scarves and parachutes. Children will be exposed to an extensive range of bright equipment to stimulate and encourage class participation. This class is a healthy fun way to introduce children to movement and dance.
